HISTORY OF CHALLENGES AND GROWTH

SAMWHAN CORPORATION is one of the leading general contractors in the Republic of Korea. SAMWHAN has accumulated a broad range of experience both at home and abroad since its establishment in 1946.

SAMWHAN CORPORATION entered the overseas construction market since the early 1960's. We have been a pioneering Korean contractor in the Middle East market, particularly in Saudi Arabia. Over the past 70 years, we have completed a number of projects in countries such as Saudi Arabia, USA, Japan, Bangladesh, Papua New Guinea, Mongolia, Philippines, Malaysia, Indonesia, Vietnam, Jordan, Yemen, Afghanistan. Presently, we maintain branch offices and project offices in Bangladesh, Indonesia, Vietnam, Algeria, Laos, etc.

We at SAMWHAN CORPORATION will exert our utmost to create a better living environment for all humankind. Pursuing Value Engineering, we have gained a reputation from our clients in the world as a reliable contractor. We are ready to meet diversified demands from clients and fulfill our mission statement : "*Beyond the First, Be the Best*".

We appreciate all our client's passionate support and encouragement toward SAMWHAN CORPORATION.
